

Declaration Letter for REACH

Dear Customer :

Our products will fully comply with EU REACH REGULATION No.1907/2006 and subsequent amendments.

We guarantee that all products provided by our company follow up substances of SVHC candidate list now, comply with SVHC 250 substances of batch 1-34 in a concentration less than 0.1% (w/w) in an article.

If EU SVHC list update and confirm our products contain substances in the SVHC candidate list in a concentration over 0.1%(w/w), we will provide required information to follow the EU REACH REGULATION No.1907/2006.

The above declaration does not include nonconformance due to unintended use conditions such as contamination, misuse or any accidents.
